legislation creating the
Minority Business Enterprise
(MBE) Program
40+ Years Old

The MBE Program was
created to ensure that
socially- and economically-
disadvantaged small business
owners are included in the
State's procurement and
contracting opportunities

- Subcontracting program
- 1% aspirational goal
- 3-Step certification process includes verification of veteran status
- Annual renewal

MBEs and VSBEs can also perform as Prime Contractors

Subcontractor vs Prime Contractor?

- Maryland awards procurement contracts
 - ✓ Directly to prime contractors
- This means that the States only legal contractual relationship is with the prime contractor and NOT the subcontractor

Subcontractor vs Prime Contractor?

- The Subcontractor only has a legal relationship with the prime contractor, not the state
- Payment to the subcontractor will come from the prime contractor, not the state

Subcontract

A Subcontract is a contract or agreement to perform work or provide material for a specific contract, initiated between a prime contractor and a subcontractor.

- Prime contractors may choose several subcontractors to work on a single contract
- Each subcontractor should have their own agreement with the prime contractor

MBE Certification Process

- The Office of Minority Business Enterprise (OMBE), part of the Department of Transportation, is the agency designated to certify, recertify, and decertify MBEs
- Certification procedures, including procedures for recertification and decertification, are defined in State regulations

COMAR 21.11.03.15

MBE Certification Process

- Small, minority- and women-owned firms will need to meet key eligibility standards, specifically:
 - ✓ Minority status
 - ✓ Ownership
 - ✓ Control
 - ✓ Size and,
 - ✓ Personal net worth of the minority owner(s) of for-profit entities

MBE Certification Process

- Contractors can learn more about certification on MDOT's website:
<https://www.mdot.maryland.gov/tso/pages/index.aspx?pageid=91>
- Applicants can attend MDOT's Application Assistance Workshop for additional support:
<https://www.mdot.maryland.gov/tso/pages/index.aspx?pageid=94>

Important Notice to Out-of-State Firms

- Firms headquartered outside of Maryland must be certified by a governmental agency in your home state before applying for certification in Maryland.
- Out-of-State firms may also need to meet other requirements in order to do business in Maryland, such as being registered and in good standing with the Maryland Department of Assessments and Taxation.

MBE Certification Process

- The Department of Transportation publishes and maintains an electronic Central Directory of Certified MBEs available to the general public through the internet. [MDOT Directory:](https://marylandmdbe.mdbecert.com/?TN=marylandmdbe)
(<https://marylandmdbe.mdbecert.com/?TN=marylandmdbe>)
- Contact MDOT, Office of Minority Business Enterprise, for more information, if needed. [Contact MDOT OMBE:](https://www.mdot.maryland.gov/tso/pages/index.aspx?pageid=97)

COMAR 21.11.03.06

— A Great Reason to Subcontract in the MBE Program

**In FY2020
Maryland Paid \$1.1
Billion to
Certified MBE firms**

Benefits of MBE Certification

- ✓ Only MBE-certified firms can fulfill the MBE participation goals / subgoals established on State-funded contracts
- ✓ MBE-certified firms, like any other firm, can also perform as a prime contractor
 - ✓ MBE Firms performing as a prime contractor can self-perform up to 50% of any MBE goal and 100% of only 1 subgoal

Subgoal Example: a construction contract has a 30% MBE goal, with subgoals of 8% African American and 11% Women; the remaining 11% could be fulfilled with any of the subgroups

Important to Remember...

Your firm must be fully MBE certified and not in “pending” status in order to fulfill the MBE goal or subgoal on a contract.

If a prime contractor approaches your firm to fulfill an MBE goal or subgoal, you can only fulfill the subgoals in the racial or ethnic groups for which you are certified by MDOT.

Pending Update:

- There is an upcoming change in regulations (COMAR 21.11.03.12-1) which deals with Counting Minority Business Enterprise Participation.
- This will allow the work of a certified woman-owned MBE, who is also a member of an ethnic group, to possibly be counted under both classifications on a contract.

MBE Subcontractor Rights & Responsibilities

1. **Speak Up Early**

- Protect your company's interest
 - ✓ Ask questions if you do not understand any of the requirements for the scope of work you agree to
 - ✓ Make sure you understand when and how your company will be utilized
 - ✓ If your company is not used in the manner or within the timeframe that you expected, begin to inquire with the prime contractor right away

MBE Subcontractor Rights & Responsibilities

2. Get It in Writing

- If your firm is participating as an MBE subcontractor, you will be expected to sign an MBE Subcontractor Participation Certification
- MBE Forms issued by the State are submitted by prime contractors with the bid and after notification of intent to award, BUT do not govern the relationship between the prime and MBE subcontractors
- MBE subcontractors should craft an independent contracting agreement with the prime that
 - ✓ Covers specific details about delivery of the service or product
 - ✓ Details the payment schedules
 - ✓ Details how to proceed after a default, delay, etc.

MBE Forms

- MBE Participation Forms required during bidding process
 - ✓ D-1A – MBE Utilization and Fair Solicitation Affidavit and MBE Participation Schedule
